1. Between 11 and 19 December 1951, [REDACTED] 25X1X Captain Kulpin (fnu) at the headquarters of the Doberitz (N 53/Z 65) troop training grounds had been replaced by Captain Vasilyev (fnu). Vasilyev wore tank insignia and audited the bills for electricity used in Altes Lager, Neues Lager, the post headquarters, the officer's billets on Stalinstrasse, the Gardestern quarters in Dallgow and the Riener bakery in Rohrbeck. Major (Adm) Asanov (fnu) audited the bills for the electricity used in the Adler Kaserne, the Loewen Kaserne and the Flak Kaserne; and countersigned the bills for Altes Lager, Neues Lager and the billets on Stalinstrasse.
2. On 11 December, 30 soldiers, apparently recruits, who wore red-bordered black epaulets were seen practicing with five heavy machine guns at the Loewen Kaserne on the south side of Highway No 103. Other troops observed there wore red-bordered black epaulets with tank insignia. Bills for this installation and the Adler Kaserne were audited by Lieutenant Kusnetsov (fnu) who wore artillery insignia.
- 25X1X 3. On 11 December, [REDACTED] Major Makarov (fnu) audited the bills for the repair shops in the Flak Kaserne, north of Highway No 103 and west of Olympisches Dorf; and Senior Lieutenant Berezin (fnu), for the remaining portion of the billeting area.
4. In early December, Colonel Khlopov (fnu), who had been promoted in November, was identified in Olympisches Dorf at Doberitz. Sedan [REDACTED] was seen driving to Colonel Khlopov's unit in Olympisches Dorf on 19 December. 25X1B
- 25X1X 5. On 19 December, [REDACTED] there was a driver school under the command of Major Dubinka (fnu) in Neues Lager on the north side of Highway No 103. Truck 25X1B [REDACTED] driven by a soldier who wore red-bordered black epaulets with tank insignia, was identified in the billeting area.
6. On 13 December, 1 T-34 tank, 1 turretless T-34 tank and 1 SP gun were noticed in a garage of Neues Lager on the north side of Highway No 103. There was little activity in the billeting area. Soldiers were seen entering and leaving the bakery building. Repair work in the vehicle repair shop continued throughout the night.
7. On 13 December, the two barracks buildings on the west side of Altes Lager were occupied to capacity. Troops observed there were engaged in physical training.
